PERCESS™ REPORT (PERcentage of suCCESS)

Your requested trademark: Y
Type: Wordmark
In class: 45
Jurisdiction/Office: EUIPO

PERCESS™: 0% 👎

Details:

The single letter Y is already registered at the EUIPO by a big company, and the EUIPO office will refuse to register your trademark as Wordmark as it is more powerful than all others.

Advice:

You will need to change your Wordmark into a Stylised/Semi-figuration mark. Depending on the list of services: you will need another PERCESS™ report (free) to validate your brand project.

In class: 2
Jurisdiction/Office: EUIPO

PERCESS™: 100%

It is in your best interest to file for a Wordmark instead of a Stylised/Semi-figurative trademark. It will give you the best protection (the price remains the same).
